Reception
Acknowlegements

*Life Sciences Consortium Co-Chairmen:*

- Dave Reese
- Mace Rothenberg

*With gratitude to:*

- **Sean Khozin** whose vision inspired PDS to invest in image analysis
- **Lloyd Minor** and his Stanford staff for their partnership and hospitality
- **Larry Schwartz** for developing our agenda and helping recruit a world-class faculty
- **Rob Califf** for his unwavering support and critical commentary
- **Reed Jobs** for his vision, encouragement ... and *more, much more*

Thanks, also, to our moderators, presenters, and panelists ... and to all who have joined us ... *for the benefit of cancer patients*
